Abergele Golf Club is conveniently situated near the A55 North Wales coast road. This 18 Hole Parkland Golf Course with USGA greens is set in the Historic Castle Grounds of Gwrych Castle. The commanding position of the course gives breath taking views across the North Wales coast and beyond.

The lush parkland fairways weave their way around wooded areas and large established trees, the course is relatively flat with the 18th as our signature hole. The elevated position of the 18th tee is situated at the top of the hill and the view from there is both inspiring and perplexing. This par 5 hole works its way back to the Clubhouse and the viewing balcony and is likely to remain in the visitor's mind for a very long time, Abergele prides itself on being one of the best and friendliest golf courses in North Wales and once played will be one you will want to return to again and again.
